CONFIDENTIAL ESTATE PLANNING QUESTIONNAIRE

No copying or transmission without the Attorney or the Client's authorization.
All information in this questionnaire is protected by the attorney-client privilege
and other state and/or federal law.

No information in this questionnaire will be released to any third party without
Client's prior permission.

Please complete the following questions as specifically and honestly as possible
to ensure the best estate plan for your unique needs. The Attorney needs to
know about particular family dynamics or potential inheritance issues (e.g. a child
with special needs, a child who is not good with money, or a child in a high risk
profession). Financial figures can be approximate, but need to be accurate for
the Attorney to determine whether estate or gift tax issues may exist.

The U.S. estate tax law applies in 2020 at a maximum rate of 40% for estates
over \$11.58 million/person. For 2020, tax free gifts can be made, up to
\$15,000/recipient/year. There is no state estate or gift tax.

If you have questions or need more questionnaires, please email
steve@johnsonlawkc.com or call (913) 707-9220. Thank you very much for the
opportunity to serve your estate planning needs.

PROPERTY DISTRIBUTION
(Please attach extra sheets as needed)

Who would you like to receive your personal property? You can designate different keepsakes or heirlooms for various family members or friends and change your list without an attorney. This list is usually separate from your will and should be written, signed, and dated. The list should be kept with your will and a copy given to your attorney to help your executor.

How would you like your estate distributed? Equal shares to each heir? Favor one person over another? Any special family considerations? Should surviving children take their parent's share?

Do any of your children or grandchildren have special education or medical needs? If so, we can establish special needs trusts and/or ensure that their inheritance does not interfere with their care under various governmental programs.
